Letter of Reference

Dear Sirs,

I am writing this letter of recommendation on behalf of Bacon Chinazom Mmakogu, whom I had the privilege of supervising during the completion of his bachelor's thesis at HTW Berlin. I am pleased to provide my enthusiastic support for Mr. Mmakogu as he embarks on his future endeavors.

I had the opportunity to work closely with Mr. Mmakogu during the process of his bachelor's thesis, and I am particularly impressed by his determination and resilience. Although Mr. Mmakogu encountered challenges in the initial attempt, he demonstrated exceptional commitment by acknowledging his mistakes and actively seeking improvement.

Notably, Mr. Mmakogu chose to undertake the challenging task of revisiting and rewriting the thesis under my guidance. This decision showcased his admirable work ethic, as well as his ability to learn from setbacks and turn them into opportunities for growth. Throughout the entire process, Mr. Mmakogu exhibited a commendable level of dedication, perseverance, and a genuine desire to succeed.

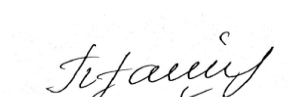

In his second attempt, Mr. Mmakogu not only addressed the shortcomings identified in the initial submission but also presented a comprehensive and well-researched thesis that met the required standards. His ability to learn from feedback and apply constructive criticism demonstrates a maturity and self-awareness that will undoubtedly serve him well in his future academic and professional pursuits.

I believe Mr. Mmakogu possesses the qualities necessary for success in his chosen field. He is a diligent and motivated individual who is not afraid to face challenges head-on. I have confidence that Mr. Mmakogu will continue to excel and make valuable contributions in any professional environment he chooses to pursue.

If you have any further questions or require additional information, please do not hesitate to contact me.

Sincerely yours,

Prof. Dr. Tetiana Paientko
