To whom it may concern,

Jesús Alamo, Director of Dimitra International, confirms that Mmakogu Bacon Chinazom, did an internship in Management Support in our office in Warsaw, Poland, from 14/11/2022 till 04/04/2023. The work time of the trainee was from Monday till Friday from 09:00 till 18:00.

During the internship Bacon elaborated business plans, sales and financial plans, boost the social media presence of the company (community manager), wrote documents related to the business of the company, and gave support in the advertisement campaigns. The trainee performed these tasks in English, and showed an advanced knowledge of this language.

The trainee achieved the goals requested at the beginning of the internship, showing organizational skills and managerial abilities. He also showed to have good academical knowledge gained in university, that were useful during this internship to properly perform technical activities.

Bacon organized properly the different activities that the company assigned daily. The trainee always met with deadlines, submitting on time the work. Also showed punctuality arriving on time to our office every day, and was supportive and always adapted easily to changes inside the company. In general, the quality of his work was excellent. The trainee showed to be a responsible person.

For these reasons we strongly recommend Bacon for working in any position that matches his profile and to pursue further studies. We consider him an industrious person with the necessary abilities and knowledge to do a good work and to be a valuable member of your team.

In witness whereof the undersigned, being duly authorised thereto, have signed the present certificate.

Signed and stamped by Jesus Alamo.
